

Aviator™ Hanging Fabric Structures present your brand or convey your message fast, up high and from all directions. Available in exciting shapes and practical sizes to meet any trade show or event need. Constructed from the highest quality lightweight materials, the Aviator™ frame assembles with push button connectors. No tools are ever required. The structure is skinned with the very best tension fabric graphics! Superior fabrics, zippers and sewing techniques ensure that your display will bring many years of use. Our unmatched dye sublimation printing is guaranteed to make your images stand out on the show floor. Aviator™ is effective, adaptable, easy to set-up and affordable.

CIRCLE

Aviator™ Hanging Circle is a trade show and event standard. The Circle is one of the most popular shapes and with good reason - it offers unparalleled 360° brand or message visibility.

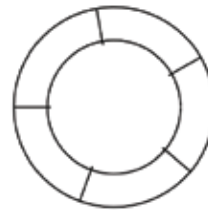

- Item
10' x 36" Circle
10' x 42" Circle

TAPERED CIRCLE

Aviator™ Hanging Tapered Circle combines all the high impact of the Circle with an angled surface for better visibility from closer locations on the show floor.

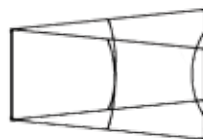

- Item
10' x 36" Tapered Circle
10' x 42" Tapered Circle

TRIANGLE

Aviator™ Hanging Triangle offers the visual balance of three equal sides. The sharp angles of the triangle contrast with the typical square floor space providing drama and visual appeal.

- Item
10' x 36" Triangle
10' x 42" Triangle

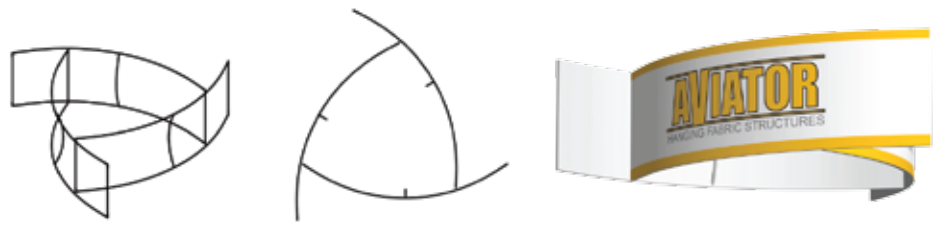

PINWHEEL

Aviator™ Hanging Pinwheel is a strong departure from ordinary! The Pinwheel draws everyone's attention with its curious curves, unique connection points and flowing movement

- Item
- 10' x 36" Pinwheel
- 10' x 48" Pinwheel
- 12' x 48" Pinwheel

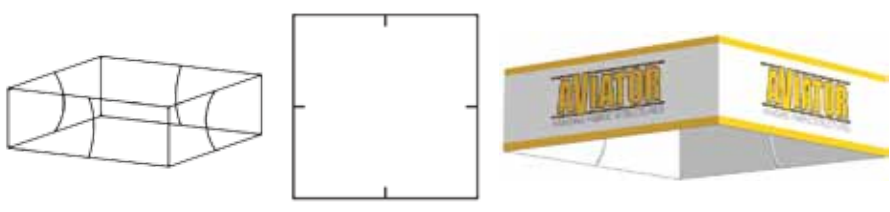

SQUARE

Aviator™ Hanging Square provides the ideal visual billboard that reaches every corner of the event. The Square mimics the typical floor space creating a strong dominant presence.

- Item
- 10' x 36" Square
- 10' x 42" Square

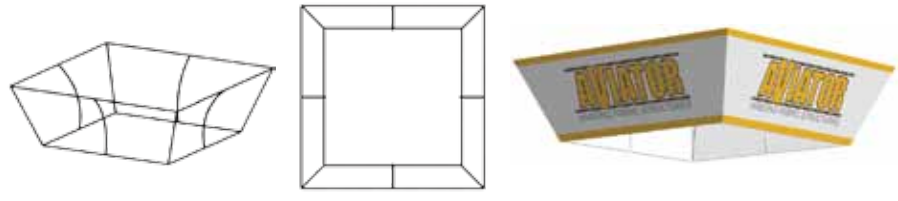

TAPERED SQUARE

Aviator™ Tapered Square combines all the qualities of the Square with an angled surface for better visibility from closer locations on the show floor. The Tapered Square remains one of the top choices for trade shows.

- Item
- 10' x 36" Tapered Square
- 10' x 42" Tapered Square

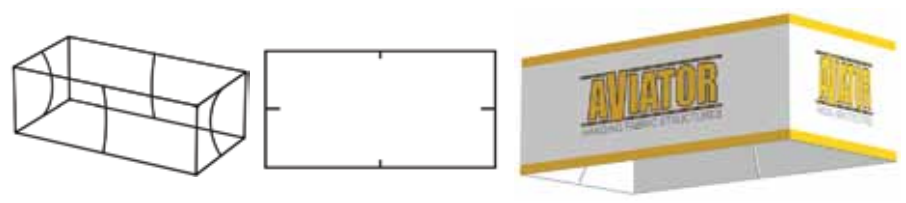

4 SIDED RECTANGLE

Aviator™ Hanging Four-sided Rectangle stretches your message, whether it's the same message on each side or something different. Excellent for spaces that can benefit from two longer sides.

- Item
- 10' x 5' 42" 4-Sided Rectangle
